END OF YEAR UPDATE

2011

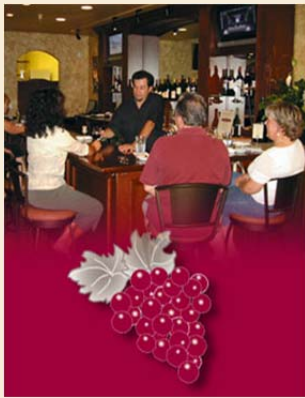

# UNWINED

## WINE BAR & SHOP

### *What a busy end of year at UNWINED ... but it's business as usual!*

As most of you know there is a lot going on at UNWINED ... most importantly, the change of ownership from Dan and Leticia to a new, and somewhat familiar management team. Anna Chitwood, Danielle Metz, and Rory Chitwood have formed a new company, UNWINED Your Way Inc. and are in the final stages of the business purchase and license transfers.

Many of you know Danielle from her past few years as an employee of UNWINED and patron since it opened. Anna and Rory Chitwood are new faces to most, but are long-time residents of the neighborhood. Anna and Danielle have been great friends for years and also work together as teachers at a local elementary school. For those customers who have worked at Apple you may know Rory from his 20+ years of service. Together we are very excited about starting this new venture and plan to keep operating UNWINED the same way Dan and Leticia have. We also have exciting plans for the near future that we'll be sharing with you in 2012.

Check back at our website at [www.unwinedshop.com](http://www.unwinedshop.com) as more 2012 information becomes available.

We wish you all the best over this holiday season and are looking forward to serving you in the New Year! **Anna, Danielle, and Rory**
