TurningWheels For Kids Fundraiser **Sunday, June 6** **4 – 7pm**

TurningWheels For Kids is a local non-profit organization that buys and builds over 2500 bicycles for the kids in our community. They have distributed over 8,000 bikes since 2003 and plan on hitting their mark again in 2010. One of their biggest fundraising events is getting sponsors to donate to their bike team training for the infamous “Death Ride” (5 mountain passes, 129 miles, 15,000 feet of climbing in one day).

One of our customers Jack France is on the board of TurningWheels and is now part of the Death Ride team. Come Sponsor Jack and the TurningWheels For Kids team by enjoying a night of fun at UNWINED. The event price is \$40 which includes some great wine, food and a special desert from local chef Ivan Barnes. The money raised goes directly to the bikes and helmets for what TurningWheels For Kids plans on being a very successful year.
